

Kansas Humanities Council Logo Guidelines

The Kansas Humanities Council (KHC) has two types of logos:

1. Standard KHC Logo

Use the **standard KHC logo** when your organization:

- is hosting a Museum on Main Street exhibition.
- has received funding from KHC for a Heritage, Humanities, Short Film, or Kansans Tell Their Stories grant.

2. KHC Program Logos

Program logos are also available in black and white.

Use the **KHC program logos** when your organization is:

- hosting a Speakers Bureau program.
- hosting a Talk About Literature in Kansas (TALK) discussion.
- hosting a Film Lovers in Kansas (FLIKS) program.

Use the standard logo or program logo in the following ways:

- on your website.
- in your publications.
- in your publicity materials (rack cards, posters, postcards).
- on placard displayed at events.
- on event-related t-shirts or promotional materials.
- newspaper and magazine advertisements.
- in the credits for your documentary film or television program.

Crediting KHC in podcasts or on radio programs:

Use this language to acknowledge KHC's support of the program:

[Title of the podcast/program] is supported by the Kansas Humanities Council, a non-profit cultural organization dedicated to promoting humanities programs across Kansas. Find out more at www.kansashumanities.org.

How to obtain the KHC logo

1. Download the logo from the KHC website, www.kansashumanities.org.
2. Contact the Kansas Humanities Council at 785/357-0359 or Tracy Quillin, Director of Communications, tracy@kansashumanities.org, to request a version via email.

Please note that logo slicks are not available.

Logo Usage

The KHC logo should only be used for KHC-sponsored programs and events (see page 2).

The KHC logo should only appear in the approved versions outlined in this document and should not be redesigned.

Logo Format - KHC Standard Logo

Do not:

- remove or separate the logotype from the graphic part of the logo. The logotype with the words "Kansas Humanities Council" should always appear within the rectangle.
- crop the logo or remove any elements outside of the rectangle.
- place the logo on its side.

Logo Format - Program Logos

The formatting guidelines for the standard logo apply to the program logos. In addition, do not:

- remove text from the right side of the logo.
- move text to the left side of the logo.
- change the color of the font for the text beside the logo.

Space Around Logo

If placing the logo on top of any background, photo, color, or any other imagery, always use the Illustrator EPS, as it will not show any white bounding box around the logo graphic. Visit www.kansashumanities.org or contact KHC at 785/357-0359 or tracy@kansashumanities.org for an EPS version of the logo.

Color

KHC Logo Color

The same color guidelines apply for the program logos.

The KHC logo is composed of PMS 2945 (blue) and PMS 129 (yellow), as well as black and white. The font in the logotype should always be in white. Do not color in the logotype or the white circle.

For full-color publications, use the color logo.

For two-color publications, use the black and white logo if the approved blue and yellow colors are not available.

Do not:

- alter the color of the logo.
- change logotype to another color.
- reproduce the graphic in one color.

Two-Color Logo (preferred)

Black and White Version (preferred if two-color blue/yellow is not available)

Questions? Contact Tracy Quillin, Director of Communications, at 785/357-0359 or tracy@kansashumanities.org.
