

Statewide Archives

When appropriate, Heritage Grant recipients are required to notify a **statewide archive** about their project and provide them with the opportunity to copy any materials produced and/or catalogued with KHC funds.

Choose one of the archives from the list below, and contact the archivist to talk about the project as early as possible. The cost of copying tapes and transcripts will sometimes be assumed by the archive. In other cases, funds may be added to the KHC grant award for this purpose. Contact KHC staff for more details.
